

**THE HART DISTRICT COUNCIL (TEMPORARY ROAD CLOSURE)
(CRONDALL ROAD, CROOKHAM VILLAGE) ORDER 2011**

Notice is hereby given that Hart District Council pursuant to arrangements made under Section 101 of the Local Government Act 1972 with Hampshire County Council in exercise of the powers of the said County Council under Sections 14(1), (2) and (3) of the Road Traffic Regulation Act 1984 and Regulation 3 of the Road Traffic (Temporary Restrictions) Procedure Regulations 1992, and of all other enabling powers, has made the following Order as the Council are satisfied that traffic (and/or pedestrians) on the road should be restricted because these works are proposed to be executed on or near the road:

Effect of Order:

All vehicles will be prohibited from proceeding along that length of Crondall Road from its junction with A287 Farnham Road in a northerly direction for approximately 300m, as indicated by traffic signs.

The closure and speed limit restriction are necessary on safety grounds to allow for BT works.

This Order may be cited as "The Hart District Council (Temporary Road Closure) (Crondall Road, Crookham Village) Order 2011".

Duration of Closure:

From 31st October 2011 for a period of 6 months or until the works are completed, whichever is the sooner. (Notwithstanding the above it is expected that the closure will be required for no longer than 1 day). The closure will be continuously enforced during the period specified.

Reasonable facilities will be provided to allow access to adjacent premises while the work is being carried out.

Alternative Route:

From the northern point of closure via Crondall Road, Pilcot Road, Church/Chalky Lane and A287 Farnham Road to southern point of closure and vice versa, as indicated by traffic signs.

If you have any queries regarding the above please contact Aplant Lux Traffic Control & Management on 0870 050 0792.

John Elson, Head of Technical Services & Environmental Maintenance
Hart District Council
