

Community Safety

The newsletter from
Hart District Council

Issue 64 August 2026

This Newsletter aims to provide information around safeguarding and Anti-Social Behaviour (ASB), raise awareness of current issues across the district, promote the good work of our partner agencies and celebrate the successes we have had.

We can be contacted online: [Report antisocial behaviour | Hart District Council](#)
by phone: **01252 774476** or by e-mail: communitysafety@hart.gov.uk

Women-Only Boxing and Fitness – Funded by Sport England

Tackling Violence Against Women and Girls (VAWG) remains a focus across Hart and under the priorities relating to both Serious Violence and Domestic Abuse for the wider Safer North Hampshire Community Safety Partnership (CSP). Through the CSP VAWG Action Plan, we are committed to creating safer communities, improving support for those affected by abuse, and providing opportunities that help women feel empowered, confident and connected. As part of this commitment, we are pleased to promote this free women-only boxing and fitness programme delivered by **Everyone's Fighting Something CIC**.

This free women-only non-contact boxing and fitness programme is funded by Sport England. The sessions aim to help women build confidence, get active and connect with others in a friendly, supportive environment. They particularly welcome women experiencing low confidence, isolation or anxiety, and women affected by domestic abuse.

When: Tuesdays, 10-11am

Where: Hurricane Training, 154a Fleet Road, Fleet, GU51 4BE (behind Sugarplum Boutique on the high street)

Cost: Free - thanks to Sport England funding

No boxing experience is needed, and all fitness levels are welcome. These are non-contact sessions and gloves are provided. Women can take things at their own pace and are given the opportunity to build confidence and connections over time.

You can book using their private link: <https://hurricane.as.me/?appointmentType=98539322>

You will see the next 6 weeks available delivered by coach Darren, commencing October 6th, however you can book into as many or as few sessions as you wish.

If feeling nervous about attending or you would like to discuss any support needs first, please contact:

Rebecca Stewart - Everyone's Fighting Something CIC - 07892 708775

Hart Resident's Survey – Have Your Say!

We've launched a Residents' Survey, giving everyone in Hart the opportunity to share their experience and opinions of council services. The survey will run for a period of six weeks, closing at 11:59pm on Monday 12 October. The online format should take no more than 15 minutes to complete.

The feedback will help us understand what we are doing well, where we can improve, and what the priorities should be over the next 18 months. Services we provide impact everyone in Hart, whether it's collecting the bins, maintaining country parks, planning, community safety or something else. Every response will help us better understand the needs of our communities and ensures residents are at the heart of decision-making.

Take the Survey [HERE](#)

We understand that not everybody is able to complete the survey online, so this survey is available in other formats on request. Please email enquiries@hart.gov.uk with any requirements or call 01252 622122.

Trusted Adults – Could It Be You?

When we speak with young people during our engagements, we also refer back to the 'trusted adult' and how young people can confide in them to seek help, support and guidance. Many young people face difficult moments without telling anyone. The person who makes a difference is not always a professional. It could be a neighbour, coach, colleague or friend.

- Notice a change
- Start a conversation
- Let them know they are not alone

Greater awareness means more people are ready to step forward as a Trusted Adult when it matters most. Find out more: www.hampshire-pcc.gov.uk/trustedadults

Crime Prevention Alert: Keyless Car Thefts

We have noticed a rise in keyless car theft, sometimes known as 'relay theft', in the local area. Criminals use electronic devices to capture and relay the signal from a vehicle's key fob, allowing them to unlock and start a car without needing the physical key. This type of theft can happen in seconds and often leaves little sign of forced entry.

To help protect your vehicle:

- Keep keys and spare keys away from doors and windows
- Store them in a signal-blocking Faraday pouch
- Consider using additional security measures such as a steering wheel lock, immobiliser, or vehicle tracker.
-

Always check that your vehicle has locked properly when leaving it, as criminals can use signal-jamming devices to prevent locking.

If you see suspicious activity around vehicles, particularly individuals using electronic devices near parked cars, report it to the police on 101. In an emergency, or if a crime is in progress, call 999.

Simple steps can make a big difference in helping to deter thieves and keep your vehicle secure.

If you have received this monthly **Hart Community Safety Newsletter** forwarded to you and you would like to subscribe and receive it directly, please drop us a line with your request at:
