Community Facilities & Activities Survey 2026

Are you bored or maybe not interested with what is available in Crondall for 11-16+ year olds?

We want your ideas (One word or much more will do), so please share your thoughts and interests about what ac8vi8es or even just "social space" you would like in Crondall by either posting this in the **Youth Service Postbox** at Crondall Village Stores or complete this **Questionnaire.**

Crondall Parish Council recognises that there are limited social & play ac8vi8es in the village for this age group and now need the views of young people - we want to ensure that anything we do is for ALL young people in our Village.

Please make some other suggestions if none of the ideas in the Questionnaire appeal to you, friends or your family. Whilst any decisions are obviously dependent on the Parish Council ability to raise the necessary funds, we are open to using funds across more than one activity or project.

The Parish Council will carefully consider the results of this survey when deciding which possible new facility(ies) to pursue, pending on available funds from the Parish Council itself and/or from possibly grants/donations.
